

BHT Sussex

BHT's Mission is to combat homelessness, create opportunities, and promote change and aims to achieve this Mission through a network of interlinked projects. By providing direct, practical services combined with a commitment to challenge the causes of poverty and inequality, we hope to achieve a supportive structure which men and women can use in a variety of ways to improve the quality of their lives.

For more information please see BHT's website www.bht.org.uk.

Project/Department Summary

Leyland's Road is a 6 - bed registered residential recovery service in Burgess Hill for adults with mental health issues. This is a medium-term residential care home and staff support clients with daily living activities. You will work as part of a team and as the service is staffed 24/7 you will need to be able to work shifts – this includes weekends / bank holidays and sleep in shifts.

Oak House is a 14-bed registered residential recovery service for clients with mental health issues. Clients reside at Oak House for a period of between 6-18 months. Staff support clients to develop and build on their existing living skills, in order to become more independent and move on to less supported accommodation at the end of their placement. Staff work in conjunction with other professionals to equip clients with the skills and motivation to become more independent and better able to manage their mental health.

In all our services we do not provide personal care but in our residential services you will be expected to administer medication, but full training will be provided.

Job Summary

Staff support clients to develop and build on their existing living skills, in order to become more independent and move on to less supported accommodation at the end of their placement.
